

S.4 GEOGRAPHY DISCUSSION QUESTIONS: REVISION QUESTIONS 006

REGION I: NORTH AMERICA

1. study table **2** below showing British Columbia's Forest product export value in billion Canadian dollars for the period between 2011 and 2015 and answer the questions that follow:

Years	Total Export value in billion Canadian dollars
2011	9.98
2012	10.16
2013	11.65
2014	12.40
2015	12.88

- a) draw a line graph to represent the information in the table (08 Marks)
- b) calculate the:
- i. percentage change in the export value between 2011 and 2015 (02 Marks)
 - ii. Name any two forestry products exported by British Columbia between 2011 and 2015. (02 Marks)
- c) Explain the factors favoring the development of the forestry sector in British Columbia. (08 Marks)
- d) Outline the problems faced by the forestry sector in British Columbia (05 Marks)
2. a) Draw a sketch map of the Southern United States of America (USA) and on it mark and name:
- i. the old cotton growing states: Georgia, Alabama & Mississippi,
 - ii. new cotton growing states of: California, Arizona and Texas. (07 Marks)
- b) Explain the problems that faced the old cotton belt in the 19th century (08 Marks)
- c) What steps did the cotton farmers take to improve cotton growing in the South? (06 Marks)
- d) Outline the contribution made by the cotton growing industry to the development of U.S.A. (04 Marks)

PAPER 1: EAST AFRICA

3. Study the photography provided and answer the questions that follow:

- a) Identify the economic activity taking place in the middle ground of this photography (01 Mark)
- b) Giving evidence from the photography, describe the factors which have favoured the economic activity identified in a) above (05 Marks)
- c) Explain the:
 - i. Importance of the economic activity taking place in the photography on the economy of the country where it is found. (04 Marks)
 - ii. Problems caused by the economic activity shown in the photography on the environment (04 Marks)
- d) Giving reasons for your answer, state an area in East Africa where this photography could have been taken (01 Mark)

4. Study the photography provided and answer the questions that follow:

- a) Identify the:
 - i. type of photograph shown above (01 Mark)
 - ii. economic activity taking place in the middle ground (01 Mark)
- b) describe the factors which have favoured the economic activity identified in a) ii) above (07 Marks)
- c) explain the importance of the economic activity to the surrounding people (06 Marks)
- d) Giving reasons for your answer:
 - i. Identify any 3 source of energy in the photography (03 Marks)
 - ii. Areas where this photography could have been taken (02 Marks)

*****END*****

5. Study the photography provided and answer the questions that follow:

- a) Identify the:
- i. type of photograph shown above (01 Mark)
 - ii. economic activity taking place in the middle ground (01 Mark)
- b) describe the factors which have favoured the economic activity identified in a) ii) above (07 Marks)
- c) explain the importance of the economic activity to the surrounding people (06 Marks)
- d) Giving reasons for your answer:
- i. Problems facing the activity (03 Marks)
 - ii. Areas where this photography could have been taken (02 Marks)

*****END*****

6. Study the photography provided and answer the questions that follow:

- a) Identify the:
- iii. type of photograph shown above (01 Mark)
 - iv. economic activity taking place in the middle ground (01 Mark)
- b) explain the importance of the economic activity to the surrounding people (06 Marks)
- c) Giving reasons for your answer:
- iii. Identify any 3 products from the activity (03 Marks)
 - iv. Areas where this photography could have been taken (02 Marks)

*****END*****

7. Study the photography provided and answer the questions that follow:

- a) Identify the:
- v. type of photograph shown above (01 Mark)
 - vi. economic activity taking place in the middle ground (01 Mark)
- b) describe the factors that have favoured the activity above (06 Marks)
- c) explain the importance of the economic activity to the surrounding people (06 Marks)
- d) Giving reasons for your answer:
- v. Problems resulting from the activity (03 Marks)
 - vi. Areas where this photography could have been taken (02 Marks)

*****END*****

8. Study the photography provided and answer the questions that follow:

- a) Identify the:
- i. type of photograph shown above (01 Mark)
 - ii. any two characteristics of the vegetation depicted (02 Marks)
- b) Other than the characteristics seen in the photograph, list more characteristics (02 Marks)
- c) Explain the factors that have favoured the type of vegetation (04 Marks)
- d) Giving reasons for your answer:
- i. Identify the land use types that can be carried out in the area (04 Mark)
 - ii. Areas where this photography could have been taken (02 Marks)

*****END*****

9. Study the photography provided and answer the questions that follow:

- a) Identify the:
- i. type of photograph shown above (01 Mark)
 - ii. economic activity taking place in the middle ground (01 Mark)
- b) explain the importance of the economic activity to the surrounding people (06 Marks)
- c) Giving reasons for your answer:
- i. Identify any 3 uses of the crop above (03 Marks)
 - ii. Areas where this photography could have been taken (02 Marks)

*****END*****

10. Study the photography provided and answer the questions that follow:

- a) Identify the:
- iii. type of photograph shown above (01 Mark)
 - iv. environmental problem depicted above (01 Mark)
- b) explain the causes of the environmental problem (06 Marks)
- c) Giving reasons for your answer:
- iii. Identify how such a problem can be solved (05 Marks)
 - iv. Areas where this photography could have been taken (02 Marks)

*****END*****

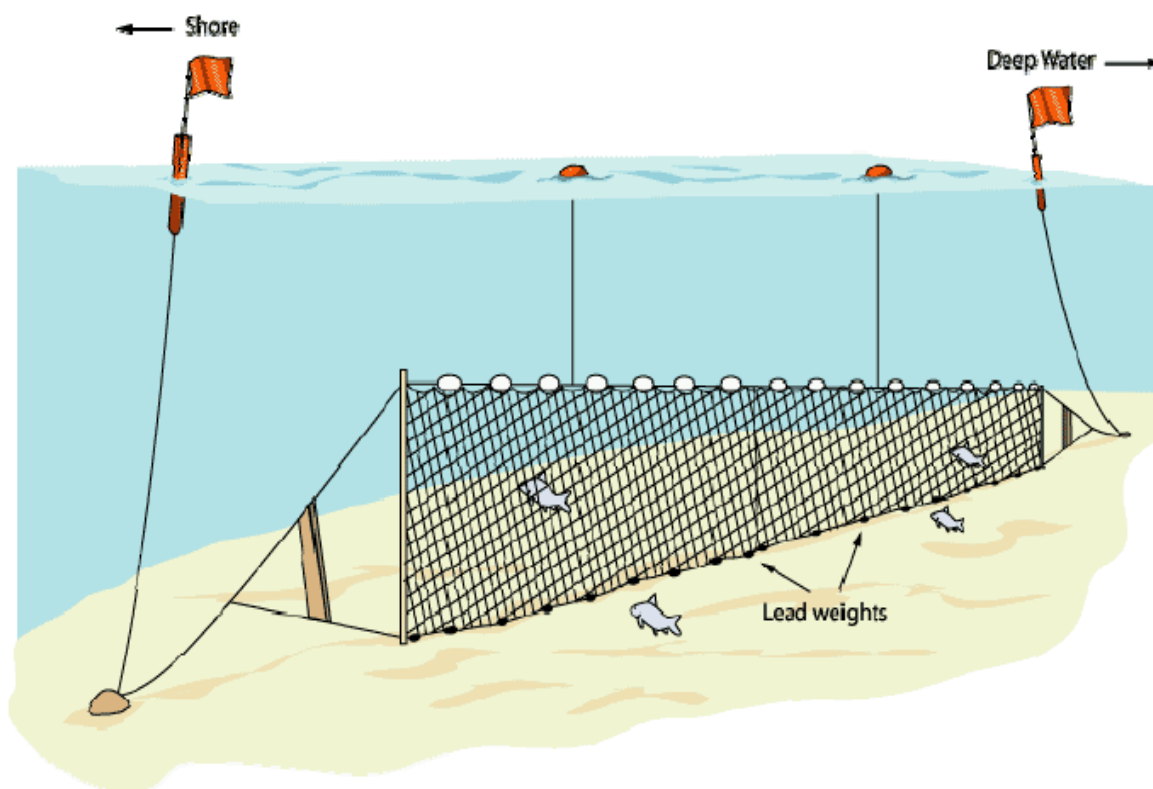

11. Study the photography provided and answer the questions that follow:

- a) Identify the:
- i. type of photograph shown above (01 Mark)
 - ii. economic activity taking place in the middle ground (01 Mark)
- b) explain the importance of the economic activity to the surrounding people (06 Marks)
- c) Giving reasons for your answer:
- v. Identify any 3 source of energy in the photography (03 Marks)
 - vi. Areas where this photography could have been taken (02 Marks)

*****END*****

12. Study the photograph provided and answer the questions that follow:

- a) Identify the:
- i. type of photograph shown above (01 Mark)
 - ii. economic activity taking place in the middle ground (01 Mark)
- b) describe how the method shown in the photograph is carried out (03 Marks)
- c) Explain the importance of the economic activity to the surrounding people (05 Marks)
- d) Giving reasons for your answer:
- i. Identify the problems faced by the people who carry out the activity (03 Marks)
 - ii. Areas where this photograph could have been taken (02 Marks)

*****END*****

13. Study the photography provided and answer the questions that follow:

- a) Identify the:
- i. type of photograph shown above (01 Mark)
 - ii. economic activity taking place in the middle ground (01 Mark)
 - iii. identify the crop depicted above (01 Mark)
- b) describe the factors that have favoured the growing of the crop (05 Marks)
- c) explain the problems faced by the farmers (05 Marks)
- d) Giving reasons for your answer:
- i. Areas where this photography could have been taken (02 Marks)

*****END*****

14. Study the photography provided and answer the questions that follow:

a) Identify the:

- i. Any two glacial erosional features in the photograph (02 Marks)

b) Explain the processes of glacial erosion taking place in East Africa (03 Marks)

c) Identify the:

- i. Any three areas in East Africa where glaciation occurs (03 Marks)
- ii. Explain the causes of limited glaciation in East Africa (03 Marks)

d) Explain the formation of any one glacial feature identified in a) i) (03 Marks)

e) Giving reasons for your answer:

- i. Areas where this photography could have been taken (01 Mark)

*** **END** ***

15. Study the photography provided and answer the questions that follow:

- a) Identify the:
- i. type of photograph shown above (01 Mark)
 - ii. economic activity taking place in the middle ground (01 Mark)
- b) Describe the factors that have favoured the economic activity above (06 Marks)
- c) explain the importance of the economic activity to the surrounding people (06 Marks)
- i. Areas where this photography could have been taken (02 Marks)

*****END*****

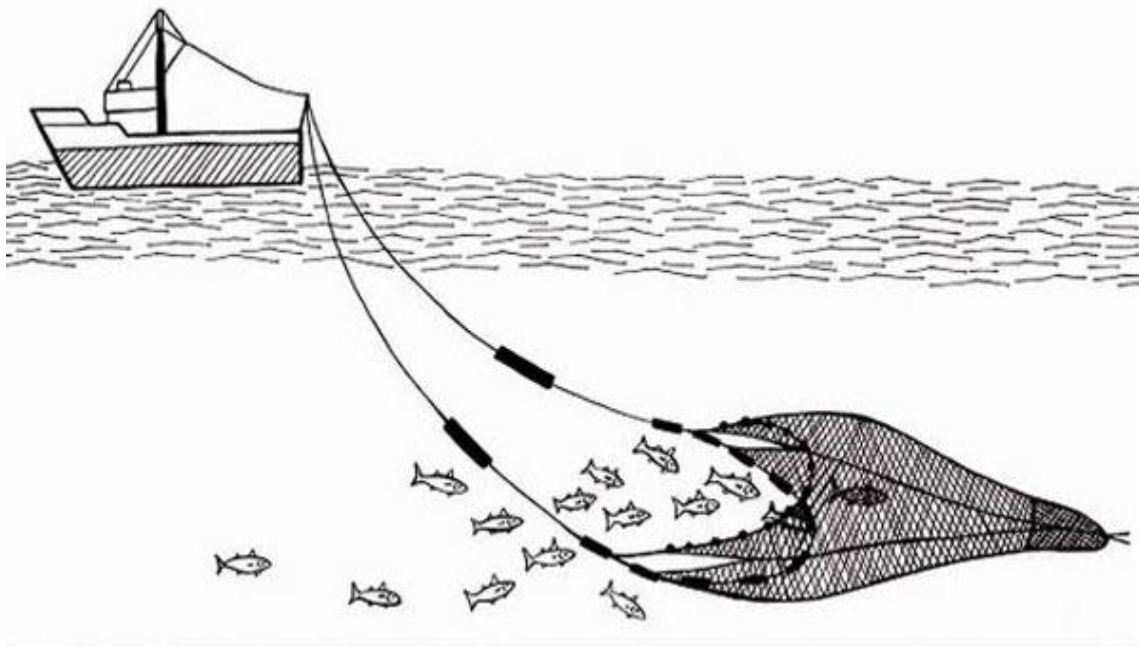

16. Study the photography provided and answer the questions that follow:

- a) Identify the:
- i. type of photograph shown above (01 Mark)
 - ii. economic activity taking place in the middle ground (01 Mark)
- b) describe the factors that have favoured the activity identified (06 Marks)
- c) explain the importance of the economic activity to the surrounding people (06 Marks)
- d) Giving reasons for your answer:
- i. Areas where this photography could have been taken (02 Marks)

*****END*****

17. Study the photography provided and answer the questions that follow:

- a) Identify the:
- i. type of photograph shown above (01 Mark)
 - ii. economic activity taking place in the middle ground (01 Mark)
- b) describe how the fishing method depicted above is carried out (04 Marks)
- c) explain the factors favoring fishing in East Africa (04 Marks)
- d) explain the importance of the economic activity to the surrounding people (03 Marks)
- e) Giving reasons for your answer:
- i. Areas where this photography could have been taken (02 Marks)

*****END*****

18. Study the photography provided and answer the questions that follow:

- a) Identify the:
- i. type of photograph shown above (01 Mark)
 - ii. economic activity taking place in the middle ground (01 Mark)
- b) describe the factors that have favoured the activity identified in a) ii) above (05 Marks)
- c) explain the problems faced by the people carrying out the activity (04 Marks)
- d) Giving reasons for your answer:
- ii. Identify any 3 products produced at the place (03 Marks)
 - iii. Areas where this photography could have been taken (01 Mark)
